Re: Tennessee Regulatory Authority (TRA) Docket No. 01-01023
Entergy Arkansas, Inc. Request for Approval of a Plan of Refund

Dear Mr. Waddell:

In regard to the issues identified in your letter of December 6, 2001, EAI provides the following responses:

1. *Provide the projected refund amounts for all customer classes for both Arkansas customers and Tennessee customers.*

Please refer to EAI Exhibit APF-3, lines 6-10, for the projected refund amounts applicable to customer classes for Arkansas and Tennessee customers.

2. *Provide a copy of any subsequent Orders (ones that were issued after APSC Order No. 4, Docket No. 01-209-U) issued by the Arkansas Public Service Commission in connection with the refund plan.*

As of this date, there are no subsequent orders to Order No. 4. As EAI files additional information or subsequent orders are issued, they will be forwarded to the TRA for inclusion in this docket.

3. *Provide a statement indicating when the refund is planned to be disbursed to the utility's Tennessee customers.*

EAI anticipates that the refunds to Arkansas and Tennessee customers will occur in March 2002.

Pursuant to the approved Stipulation and Settlement Agreement in APSC Docket No. 01-209-U, EAI will file for review and approval by the APSC within ten days after the SERI refund is made to EAI, the exact refund amount EAI will refund to

its Arkansas and Tennessee retail customers. As soon as the historical data is extracted and verified, EAI will then file an exhibit detailing the billing determinants by rate class for the refund period, as well as all adjustments thereto, and the final refund rates, subject to approval of the APSC. These filings will be forwarded to the TRA.

If you have any questions or need additional information, please do not hesitate to call me at (501) 377-4457 or Mr. Will Morgan at (501) 377-5489.

Sincerely,
